

Training Tomorrow's State Champions . . .

Cadillac High School has a rich tradition as a powerhouse in ski racing. Since the state recognized ski racing as a MHSAA sanctioned sport in 1975, the Cadillac Boys' Ski Team has won State Titles in '78 and '81. They were Runners' Up in '76, '82, '14', and have numerous other top-ten finishes. The Cadillac Girls' Ski Team won State Titles in '77, '78, '83, '90 and '22. They were Runners' Up in '75, '76, '80, '82, '84,

'85, '86, '89, '96, and '01. The girls have rarely been out of the top 10. These records make the Cadillac High School Ski Team the most successful athletic program at Cadillac High School. Historically, we rank 4th in the state, behind Traverse City, Marquette and Petoskey. In order to stay competitive, we need to train our young athletes in the art of ski racing at a younger age. This allows them the time to develop their skills in a fun, yet competitive, way. Our goal is to teach our young athletes ski racing fundamentals and to teach them the fun of competition. This, we hope, will keep the tradition of Cadillac Skiing alive and well.

Cadillac Area Ski Club

Junior Ski Racing Program

General Program Information

The Cadillac Area Ski Club and Caberfae Peaks Ski Resort are proud to continue the Junior Ski Racing Program. This program is for all area children, age 8 to 14, who wish to expand their skiing skills into the area of ski racing. Those 7 and under need coaching staff approval.

Training will be held on Thursdays & Saturdays. With several weekend club races against other area ski clubs.

All training will be at Caberfae Peaks, usually on South Peak. Club races will be at Caberfae for home meets, and other ski areas for away races. Coaching for this

program will be divided between experienced area coaches; Meg Mogan, Keenan Cooper, Larry Waldo and Seth Houk. With help as needed from Cadillac High School Ski Coaches James Netzley, Nate Houk and Marty Williams.

Cost for the 9 week program is \$200.00 per athlete (\$175.00 for each additional athlete) per season for training only. You can train any or all days.

Lift tickets are the responsibility of each participant.
